

WORLD SUICIDE
Prevention Day

Sept 10, 2019

The theme of the
World Suicide Prevention Day 2019 is:
**WORKING TOGETHER TO
PREVENT SUICIDE**

Suicide is a considerable public health problem. Therefor it is paradoxical that many people struggle with communicating their suicidal thoughts. Together we can work for a safe and open society, where we dare to ask for help to live.

Connect. Communicate. Care.
