

WORLD SUICIDE
Prevention Day

Sept 10, 2020

The theme of the
World Suicide Prevention Day 2020 is:

WORKING TOGETHER TO PREVENT SUICIDE

Suicide is a considerable public health problem.
Therefore it is paradoxical that many people struggle
with communicating their suicidal thoughts.
Together we can work for a safe and open society,
where we dare to ask for help to live.

Connect. Communicate. Care.
